

**“A Psychiatrist Examines American Health Care”** is the theme of the tenth annual Health Care Sunday Programs on Sunday, April 15, 2012. This year’s program is presented in memory of **Gene Schwartz**. Gene was one of the original founders and a charter member of Missourians for Single Payer Health Care, cosponsor of Health Care Sunday with The Ethical Society of St. Louis.

**Dr. Carol Paris** will talk on **“Is Speaking Up for Health Care Rights a Crime?”** at the 9:45 a.m. Forum in the Hanke Room. Dr. Paris will explain how speaking up for expanding the right to Medicare for all Americans before a Senate Committee on Health Care led to her arrest and the arrests of other doctors and nurses.

Dr. Carol Paris presents **“Private Insurance Induced Stress Disorder”** at the 11 a.m. Platform Address. Dr. Paris will explain the cause and symptoms leading to the diagnosis of PIISD, and its cure.
